Dear Reader:

The Transportation Law Journal is pleased to present Volume 43 number 1, the first of two issues by the 2015-2016 editorial staff. This edition features one article containing a thorough discussion of the veil-piercing doctrine as it applies under general maritime law, one article analyzing the law surrounding the globalization of outer space activity, one student note on the potential impact of the Supreme Court decision in *Walker v. Texas Division, Sons of Confederate Veterans, Inc.* on public transit advertising, and three court reports on recent cases affecting transportation law.

I want to thank our dedicated staff for their diligent work and commitment to the journal.

Best,

Michelle Thom
