Dear Reader:

The Transportation Law Journal is pleased to present Volume 42 number 2, the first of two issues by the 2015-2016 editorial staff. This edition features one article covering timely and important railroad law and policy, one article analyzing the limited body of maritime conversion case law, one student note on the guidelines and framework of orbital debris mitigation, and three court reports on recent transportation cases. We believe you will find these works to be engaging and informative.

I want to thank our dedicated staff for their diligent work and commitment to the journal. Many people contribute to the success of our publication.

Best,

Michelle Thom
