Fifth Annual

Rocky Mountain Spectroscopy Conference

Sponsored by

Rocky Mountain Section Society For Applied Spectroscopy

THE OLIN HOTEL
Denver, Colorado

August 6 - 7, 1962
GENERAL INFORMATION

The Olin Hotel

The Olin Hotel is located at 1420 Logan Street, Denver 3 Colorado, within easy walking distance of Denver's famous Civic Center and the downtown business district. All of the hotel's rooms have been remodeled, and present handsome accommodations for the nominal rates of $6.50 single and $10.00 double rooms plus tax. The hotel features a new swimming pool and convenient Conference facilities.

Registration

Registration will be held on the morning of August 6, starting at 8:00 A.M., and continuously throughout the Conference. The fees are as follows:

- Technical Sessions Only..........................$6.00
- Banquet..................................................$4.00

Total..............................................$10.00

Registration materials will be available at the Conference Registration Desk at the Olin Hotel.

Banquet and Social Hour

Monday evening, August 6, there will be a social hour from 6:00 to 7:00 P.M. and a banquet at 7:00 P.M. Featured speaker at the Banquet will be Dr. Wallace R. Brode, Former Scientific Advisor to the Secretary of State, Former Associate Director of the National Bureau of Standards, and President of the Society of the Sigma Xi, one of America's outstanding scientists. His subject will be "Colorful Americans", a description of the use of natural coloring materials and dyes employed by the American Indians.

Wives will be welcome at the banquet, and they should enjoy Dr. Brode's presentation. Banquet tickets for wives may be purchased at the Registration desk until 3:00 P.M. Monday, August 6.
About the Conference

An air of informality prevails at this Conference, and the Conferences have ample opportunity for mixing with one another and discussing mutual problems, vacation plans, etc.

All of the panel discussions will be tape recorded, in the hope that a possible publication might result after the tapes have been edited and approved by each of the participants.

Three instrument manufacturers will exhibit some of their equipment in rooms adjacent to the Conference area.

ROCKY MOUNTAIN SECTION
of the
SOCIETY FOR APPLIED SPECTROSCOPY

Officers 1962

President:
M. W. Skougstad
U. S. Geological Survey, Denver, Colorado

President Elect:
M. L. Salmon
Fluo-X-Spec Analytical Lab., Denver, Colo.

Secretary:
Nancy M. Conklin

Treasurer:
L. Kahn
Shell Chemical Company, Denver, Colo.

1962 Conference Committee
Francis S. Bonomo, Denver Research Institute, Denver, Colo.
Fred N. Ward, U. S. Geological Survey, Denver, Colorado

In addition to appreciation for the efforts by the officers of the Society, the Conference Committee wishes to express its thanks to Martha Daiss of the Denver Convention and Visitors Bureau, William Singer of the Olin Hotel, Dorothy Husbands and Mary Lou Higgins of the Denver Research Institute for their assistance in preparation for the Conference.

The Conference Committee also wishes to thank A. Tennyson Myers of the U. S. Geological Survey for his untiring assistance.
