January 2008: Special Forum

Abstract

This forum aims to begin a public conversation about the question of whether the American Political Science Association (APSA) should hold its 2012 Annual Meeting in New Orleans.

Keywords

American Political Science Association (APSA)

January 2008: Special Forum

This forum aims to begin a public conversation about the question of whether the American Political Science Association (APSA) should hold its 2012 Annual Meeting in New Orleans—a city governed by a Louisiana constitutional amendment legally defining marriage as "the union between one man and one woman." The consequences of this amendment for APSA scholars are discussed in the opinions below.
