## PREFACE

This issue of the *Denver University Law Review* includes profiles of the seven justices of the Colorado Supreme Court. To our knowledge, this is the first time all seven justices have been profiled in one publication. Special thanks is due Richard Westfall, General Editor, 1984-85, for suggesting that the *Review* profile the justices and for then locating authors for each of the profiles. The *Review* would also like to extend its deep appreciation to the authors for their work in writing the profiles; the quality of each profile is witness to the substantial time and effort expended by each.

We believe the profiles offer rare glimpses into the backgrounds and some of the special experiences of each of the justices. We hope you find them good reading.
