**The leading tax minds
provide these 3 unique**

services

Expertise built the landmark service, **Tax Management**, covering federal taxation of the domestic income of U. S. corporations. And now it has produced two companion services, **Tax Management—Foreign Income** and **Tax Management—Estates, Gifts, and Trusts**.

All three draw upon the knowledge, experience, and judgment of more than 100 special consultants—leading tax attorneys, tax accountants, active tax practitioners. All three are professionally oriented and functionally organized. All three use the unique TM concept of a topic-by-topic approach to tax problems in separate, self-contained Portfolios.

The three **Tax Management** services are available separately or in combination. For descriptive literature and particulars of subscription rates, write:
