The Denver Bar Association

V. SUBROGATION FOR REIMBURSEMENTS MADE

In the event reimbursement is made to a client, the Fund shall be subrogated in said amount and may bring such action as it deems advisable against the lawyer, his assets or his estate, either in the name of the client or in the name of the Colorado Bar Association. The client shall be required to execute a subrogation agreement in said regard.

The client shall be entitled to bring an action for recovery of losses directly against the lawyer, his assets or his estate if the Committee has not done so within six month of execution of the subrogation agreement. Any amounts recovered from the lawyer, either by the Committee or the client, in excess of the amount to which the fund is subrogated, less the Committee's actual costs of such recovery, shall be paid to or retained by the client as the case may be.

VI. MEETINGS OF THE COMMITTEES

The Committee shall meet from time to time upon call of the Chairman, provided that the Chairman shall call a meeting at any reasonable time at the request of at least two members of the Committee.

VII. GENERAL PROVISIONS

No publicity shall be given to the rules of procedure, to applications for reimbursement, payments made by the Committee or to any action of the Committee without the express prior approval of the Board of Governors of the Colorado Bar Association.

These rules may be changed at any time by a majority vote of the Committee if said changes are approved by the Board of Governors of the Colorado Bar Association.

These rules have been adopted subject to the approval of the Board of Governors of the Colorado Bar Association this 10th day of September, 1960.
