Time-saving • Precise • Dependable

Your income-producing hours are limited.
Your solution to the spiraling cost of operation
is to get more production from each hour.

The new 3A and 3B are your best means of expanding your efficiency.

- Provide fast, easy, maximum information on statutory matters—save you many hours of research.
- Disclose at a glance whether you can advise your client on the basis of the statute alone.
- Combine original text and supplementary material—reduce the risk of overlooking amendments, repeals and recent decisions.
- They are dependable—the editorial work is by recognized experts in this field. Give your clients the benefit of the finest professional equipment available.

READY FOR IMMEDIATE DELIVERY

Because of the combined complexities of revising, legislating and publishing, it appears that Colorado Statutes Annotated will be the only annotated laws for a considerable length of time.
