## LIBERTY

"What then is the spirit of liberty? I cannot define it; I can only tell you of my own faith. The spirit of liberty is the spirit which is not too sure that it is right; the spirit of liberty is the spirit which seeks to understand the minds of other men and women; the spirit of liberty is the spirit which weighs their interests alongside its own without bias; the spirit of liberty remembers that not even a sparrow falls to earth unheeded; the spirit of liberty is the spirit of Him who, nearly 2,000 years ago, taught mankind that lesson it has never learned, but has never quite forgotten; that there may be a Kingdom where the least shall be heard and considered side by side with the greatest."

JUDGE LEARNED HAND in a speech  
given on May 21, 1944.

*A Major Treatise on The Law of*  
**REAL PROPERTY**

by *Columbia University's*  
**PROFESSOR RICHARD R. POWELL**

**POWELL'S LAW OF REAL PROPERTY**

**5 Vols., \$16.50 per vol.**

**Keyed to the Restatement of the Law of Property for which  
Professor Powell served as Reporter.**

*Published in compression binders for permanency.*

Professor Powell accepted a very broad commission to write the Real Property treatise which he felt was needed by the practicing bar of the entire United States. The result is offered to the bar with inordinate publishing pride. The publishers are confident that it will fully satisfy the long felt need.

The treatise is issued in loose leaf, compression binders which have all the attributes of permanently bound books, with two very important additions:

1. The binders are vastly more durable, and
2. They allow material to be changed where, and as necessary, without disturbing the rest of the contents and without requiring new editions.

The work will be supplemented and will also be revised in the future, if necessary, by revision and replacement of certain chapters. Thus, it will not become dated and its authority to the next generation will be as persuasive as it is to the present. Volume 1 now ready for delivery.
