OLD AGE FUND COLORADO BAR ASSOCIATION

Attention to the Old Age Fund was last invited on May 15, 1937.

Since then two very deserving cases came to our attention, which threatened greatly to deplete or wipe out our balance but which were finally otherwise taken care of. One or two members knew of these probable demands and offered to respond to a call if additional funds became necessary.

To avoid an urgent call or "drive" for funds was one of the purposes of establishing this Fund. Formerly when cases of dire need arose they were overlooked or neglected unless some friend made a hurried and sometimes unseemly scramble for funds among the few who could be reached quickly.

These embarrassing situations should be and will be avoided if our members continue to make small contributions annually or substantial ones occasionally.

Contributions have varied from one to one hundred dollars, and each contributor is requested to remit to the Treasurer.

EDWARD RING,

WILLIAM E. HUTTON,

Dated December 5, 1938. WILBUR F. DENIOUS, *Trustees.*
