## A Further Report of the Law Library Committee

## A FURTHER REPORT OF THE LAW LIBRARY COMMITTEE

MR. FRAZER ARNOLD, CHAIRMAN :

“At the meeting of this association held at the Albany Hotel several weeks ago, a resolution was adopted authorizing the Board of Trustees to donate and convey the law library to the City and County of Denver. It has developed that the authorization contained in that resolution was not broad enough, because, although the Mayor at that time was favorable to the acceptance of this gift by the city, he later reconsidered the matter and felt that the additional expense of about \$500.00 a year should not be assumed by the City and County of Denver, directly, at this time.

Thereupon, the question was considered by the Committee and officers of the association in conjunction with the District Judges, and it was tentatively decided that the transfer should be made to the Second Judicial District of the State of Colorado, which means the District Court. The judges of our District Court would then govern the library much as the Supreme Court conducts the Supreme Court library, and the expenses would be paid out of the appropriation for the Second Judicial District.

Therefore, we should have a new and broad authorization to enable the Board of Trustees to proceed with this or some similar plan.

I therefore offer the following resolution and move its adoption :

BE IT RESOLVED that the Board of Trustees of The Denver Bar Association be and they are hereby authorized by the members of said association to give, transfer and deliver unto the Second Judicial District of the State of Colorado, or unto the Judges thereof in office, or unto such other grantee or grantees as the Board of Trustees may find appropriate, the books and documents constituting the law library now the property of this association, upon such particular terms and conditions as to the control and upkeep of such library as said Board of Trustees may think proper.”

The above resolution was adopted at the October meeting.
