DICTA

Vol. VIII

AUGUST, 1931

No. 10

THE COMING YEAR

THERE is printed in this issue of Dicta a list of the various Committees of the Association. We believe these Committees will be active and efficient. I hope the membership will give to them their co-operation and support.

Mr. Albert J. Gould, our worthy Secretary, has consented to act as Chairman of the Luncheons Committee this year, and he and I are in agreement that our meetings should be devoted primarily to a consideration of the practical legal questions of special interest to the profession.

We have provided a new Committee on Current Legal Events, with Robert E. More as Chairman. It is our thought that this Committee will bring to the attention of the Association at the meetings, the current legal events of general interest.

The officers and Committees promise their best efforts toward the maintenance of the Association on the high plane which has been established by previous administrations.

(Signed) ELMER L. BROCK,
President.
